Managing agents are reminded that Auction Rule 19(4) imposes an obligation on managing agents to ensure that any Relevant Information which comes into their possession shall be disclosed promptly to the members of their respective syndicate(s) with a copy of any such disclosure promptly provided to the Lloyd's Auction Office. The release of relevant information immediately prior to, or during an auction, could result in a false market and will therefore always be investigated.

Your attention is also drawn to paragraph 9.6 in the Capacity Auctions Explanatory Guide which mentions that "The Auction Office will accept disclosures up to noon on the penultimate working day before an auction starts".

In addition, disclosures are centrally held on lloyds.com and available to view via the link above. An electronic version of the completed prescribed disclosure template must be sent to the Auction Office via email. A copy of the template is available to download from the lloyds.com website using the link above.

In all cases the completed disclosure template should be sent to the following email address:

[lloyds-auctionoffice@lloyds.com](mailto:lloyds-auctionoffice@lloyds.com)

**N.B. The Auction Office is unable to accept disclosures in any form other than that described above.**

The Auction Office will arrange for all disclosures to be posted to the designated Capacity Auctions page on the lloyds.com website.

### PBO Rating

Under Lloyd's Principles for Doing Business, Managing Agents and Syndicates are assigned ratings on performance against the Lloyd's Principles for Doing Business. These ratings are not required to be disclosed by managing agents.
